"EXPECTATIONS VERSUS REALITY" - KEEPING UP WITH TRENDS

NOTE: ALL THESE ARE FILMED IN A TALKING HEAD STYLE OF COMMENTARY

INT. SMALL BUSINESS - DAY

Two BUSINESS OWNERS hand a bag of goods over to a customer.

BUSINESS OWNER

We're small business owners, of course we're going to charge you extra if you're a foreigner.

INT. TRAP HOUSE - DAY

The space is filled with smoke and stereotypical tatted-up RAPPERS.

RAPPER

We're rappers, of course we're gonna degrade women in the name of hood relatability.

INT. CLASSROOM - DAY

A STUDENT wearing a hijab writes in her notebook.

STUDENT

We're first generation kids, of course we're gonna claim English wasn't our first language when our sentence structures are grammatically incorrect.

EXT. WALK-UP APARTMENT BUILDING - DAY

A DOORDASHER annoyingly looks up at the apartment building. He sighs and eats a fry out of the bag.

DOORDASHER

We're doordashers, of course we're going to eat a few fries /and call you to come downstairs to pick up your food - it's New York, there's no such thing as parking!

EXT. BEACH HOUSE - DAY

A group of influencers boisterously smile while taking photos of a serum for a facial campaign.

INFLUENCERS

We're influencers, we mistakenly
don't remove racist tweets from our
pasts!

INT. OVAL OFFICE - NIGHT

Current PRESIDENT kicks his foot up on his desk.

PRESIDENT

I'm the U.S. president, of course I
can get away with war crimes,
universal healthcare?- HA!

EXT. NYU STERN BUILDING - DAY

Obnoxious FRAT BOYS give each other noogie's at the front entrance.

FRAT BOYS

We go to NYU Stern, of course we're
gonna date all the girls we can get
and fuck them over!

INT. PILATES STUDIO - DAY

Three toned WOMEN drink their green juices.

WOMAN

We're vegan, of course we're gonna
parade around about how we're
saving the planet by not eating
animal products, and get more
people to join our cult too.

They cheers.

INT. BACKSTAGE OF MUSIC VIDEO SET - DAY

TAYLOR SWIFT - played by an actor heads off the main stage and drinks a bottle of water.

TAYLOR SWIFT

I'm Taylor swift, of course I got
with Travis Kelce so when you look
up Taylor swift Jets the article
that pops up is me supporting my
man at a game and not how much
emissions I use a year.

INT. LATE NIGHT STUDIO - NIGHT

The HOST and the WRITING STAFF stand before the audience.

HOST/WRITING STAFF

We're comedians, we're failures to
our parents, don't get paid much,
but are still gonna pursue this
path at the unlikely chance we'll
get famous because we're attention
whores!

Claps amongst the audience.

END OF REPEATABLE BIT
